

Notice:

I wanted to warn everyone that I am having some difficulties getting the Cold Line back up and running. I've been working on it for the past month and think I'm finally coming to a resolution. I am going to try and have it set before Thursday, but there is a high chance the number will have to be changed. I apologize for the inconvenience, and will make an announcement as soon as I have more information. If you call the line and it says disconnected, please check facebook or the webpage to see if the race has been cancelled (and if there will be a fun run).

Thanks for your patience and understanding.

Becky Mahar (Treasurer)
